

The Culture Night

SEPTEMBER 8, 2018

Enjoy traditional and untraditional expressions of culture during this cross-border, dynamic and magical night!

Exciting programmes for adults and children take place indoors and on the street throughout Uppsala.

The whole family can listen – and dance – to all kinds of music from local bands, or watch fire shows, acrobatic performances or African drummers...

This is a night when you can choose between over 600 events to experience. In this folder we present a small selection of everything there is to do and see during Culture Night.
